

**12th Technology Summit 2006
(November 06 - 07, 2006)**

GIAN-N participated in the 12th Technology Summit & Technology Platform 2006 as an exhibitor held at Hotel Intercontinental (Barakhamba Road), New Delhi on November 06 and 07, 2006.

The Confederation of India Industries in association with the Department of Science and Technology (GOI) and The Association of Southeast Asian Nations (ASEAN) organized the event and invited us by giving a 12 Sq. m build-up stall to showcase our innovations in the event. The participation was jointly organized by NIF and GIAN-North such that all the publicity and display material will be managed and arranged by NIF colleagues and SM-PD, GIAN-N and Sh. Kamaljit (HB collaborator) would put up the stall and represent both the organizations.

Mr. Kapil Sibal, Minister of S&T and Earth Sciences, GoI, Dr. T. Ramasami, Secretary, DST, GoI alongwith Mr. R. Seshasayee, President CII and MD, Ashok Laylend Ltd., Mr. Ong Keng Yong, Secretary General of ASEAN and Dato' Sri Dr. Jamaluddin Mohd. Jarjis, Minister of ST and Innovation, Malaysia & Leader of ASEAN Delegation inaugurated the event and the exhibition. During the exhibition round-up Mr. Kapil Sibal and members of the ASEAN delegation visited our stall and appreciated the initiatives and objectives of NIF and GIAN.

Along with the posters of theme and objectives of the organization, the technologies showcased during the event were from all over India including the Manual Milking Machine, Karnataka, Herbal Medicines, New Printing Technology, Chatisgarh, Improved Hand Pump, Rajasthan, Pumplless Stove, UP.

Sh. Agastya Narain Shukla, the innovator of Advanced Tooth Brush, Delhi was also requested by us to display the prototypes of his innovation. He received good encouraging response from almost all the visitors about his innovation. Many visitors were curious to purchase the brush there itself however they were told that it will soon be launched at about Rs. 100-125/- per unit.

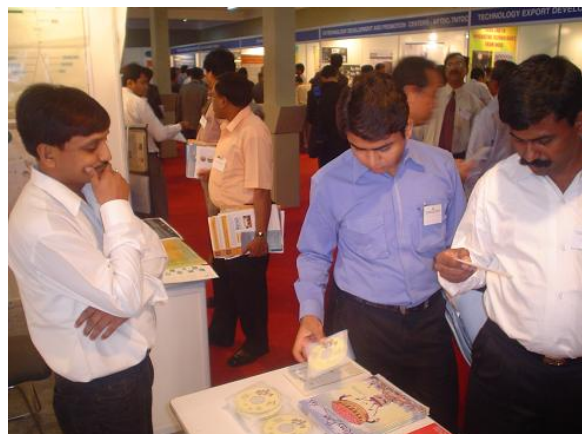

Adequate literature that included the presentation CD of NIF/ GIAN, Fifth Competition Posters (Hindi & English), GIAN-N/ NIF brochures and annual reports of GIAN-N were distributed among the visitors.

A list of the visitors who visited our stall is as below.

1. Sh. Ashwani Goyal, Director, Multi Overseas (I) Pvt. Ltd., Panchkula, Haryana:- This is a company which manufacturers various kinds of Solar and Power electronics Devices and have good dealer network in Northern India. The possibilities of promoting our Solar/ Electrical Laminator were discussed with him and he showed his positive inclination. Further details about the innovation would be shared with him once the improved version and ready and tested.
2. Sh. K. Subodh Kumar, Head IPR, CII, AP & Head APTDC :- He is influenced by our objectives and proposed to send nominations from his region for our competition. He has already sent about five to NIF in the recent past.
3. Dr. Atimanav Gaur, Ass. Prof., & Dr. Sangeeta Mehta DasGupta, Lecturer, AMITY Institute of Herbal and Microbial Studies (AIHMS), Amity University, NOIDA:- They along with some students from the institutes were attracted in our work. The possibility of lab testing of the improved Tooth Brush for the degree of bacterial infection due to this design in comparison with the conventional brushes was discussed with them. A formal communication on the subject could be send to them on this.

4. Kavita Vemuri, Head & Counselor Technology, TNTDPC, Chennai: - She was earlier at Dehradun and has worked with us in coordinating a few activities. She showed her interest in assisting us further in value addition and dissemination activities in her region.
